**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have been a customer with sonic for the past several years. We had att prior to switching to sonic and att had been nothing but a monopoly. ATT would raise rates randomly and without reason as they were the only broadband company in our area. Since we have switch to sonic, we have been very satisfy with their price and customer service. Sonic continues to provide us with great services and charging us a reasonable rate.

Please let Sonic continue its outstanding good in providing the citizens of San Francisco and the Bay Area with their great service.

Regards,

Steven Johnson
